TERM 1 | Week 8 | March 2024

## A MESSAGE FROM THE PRINCIPAL

We are fortunate to have students who are community service minded and have leadership abilities and aspirations. It was a pleasure to help induct our Semester One Student Representative Council (SRC). These students serve their peers and classmates and ensure student voice is heard. We thank them and the valued Library Monitors for their service to our school. (See names later in this newsletter).

We are also fortunate to have our group of committed Class Parents who wish to serve the school community. I enjoyed meeting with the network last Monday to discuss the role and strengthen communication between home and school. It is wonderful to have such a strong sense of community at EHPS. Thank you to Naila & Sonia from P & C and to the class parents for giving up your time to meet and develop the class parent network at our school. We encourage all parents to sign up so you can get reminders, have a forum for simple questions and answers and connect for social events for your child.

International Day of Happiness is an initiative by the United Nations. [International Day of Happiness | United Nations](#). As part of our ongoing commitment to wellbeing, this year we celebrated to remind each student and our staff that they are known, valued and cared for. We hope your child uses their wrist band or pencil (Yr 6 only) to remember to let their light shine brightly in this world.

## SAFETY REMINDERS

We want to work with parents to ensure your child feels safe and happy at school. The learning and wellbeing of students is our focus. ***If you have concerns about your child or the behaviour of another student towards your child, please bring those concerns to the school.*** This can be best done by emailing to make a time to meet the class teacher or a member of the executive team. This way we can work around class responsibilities and commitments to give you the time and privacy needed. **Please DO NOT approach other people's children.** You are a stranger to other children. It is not appropriate for a parent to approach or discuss matters with our students. You would not like another parent to approach your child, so please be respectful. Thank you for understanding.

NSW Department of Education

Everyone  
deserves to  
feel safe at  
school

Please treat our staff and students with **kindness and respect**

Aggressive behaviour will **not be tolerated**

Together, **we can create a safe and harmonious environment** for our students and staff

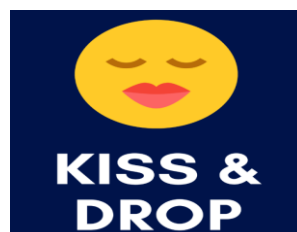

[education.nsw.gov.au](http://education.nsw.gov.au)

Students have now settled into morning routines at school. Teachers need to be able to have clear visibility in the playground and students need to be able to see the teacher on duty. This is currently hard to do as there are many parents waiting until the class bell goes. Please rest assured you can leave your child in the playground once the duty teacher (in the yellow vest) arrives at 8:35a.m This will also give your child the chance to develop independence and friendships.

We respectfully ask you to now please drop your child, give them a hug, say goodbye and leave them to play. Please remind Grandparents to do the same.

Thank you for your help.

## SCHOOL NEWS

### Attendance

On Monday 25 March we move to school bytes attendance. This means you can no longer use enews to explain your child's absence. Please use school bytes or email to explain absences.

**Children should attend school every day that they are well.** Please keep your child at home to recover if they are sick. This also helps ensure classmates and teachers do not catch illness. Staying home for birthdays is not approved leave.

Boost in confidence, friendships and getting the best out of their education is what happens when students attend school every day. #EveryDayMatters even the days leading up to end of term. **Please remember to only plan travel during school holidays so students can get the most out of their learning.**

If travel during school term for more than 5 school days is necessary, an Application for Extended Leave will need to be completed. [Application for extended leave - travel \(nsw.gov.au\)](https://nsw.gov.au/application-for-extended-leave-travel)

Under Department of Education guidelines, the Principal will not approve holidays during school terms. *Absences relating to travel may be marked as leave on the roll and therefore contribute to your child's total absences for the year.*

### Safety resource for parents

The “**NSW Police Legacy Child Safety Handbook**” is a comprehensive and free resource to assist parents and carers on a range of topics essential to child safety.

The updated digital edition (link below) includes important content updates from: Fire and Rescue NSW (home fire safety), Transport NSW (school bus and seat belt safety), NSW Department of Communities and Justice (keeping children safe), eSafety Commissioner and NSW Rural Fire.

From Monday 25<sup>th</sup> March we will no longer be using enews. All communication such as newsletters, permission notes, updates, emergency messages, events, bookings, P & C notices etc will be sent via School Bytes. Please ensure both parents have signed up so you don't miss out on vital information.

<https://support.schoolbytes.education/hc/en-us/articles/5184859634191-Parent-Portal-Set-up-your-parent-portal-account>

Please also ensure your contact details are up to date and you or your emergency contacts are able to be reached during school hours in case your child gets sick or has an accident.

Just a reminder to book an interview with your child's class teacher in Week 10 as per the note sent home. Teachers have allocated times around their commitments and class teaching load so please ensure you follow your time allocation.

## Harmony Day Wednesday 27th March

Each year at Epping Heights, we celebrate Australia's cultural diversity through **Harmony Day**. Our school values inclusiveness, respect and a sense of belonging for all Australians, from the traditional owners of the land to those who have come from many countries around the world.

When? Our school is celebrating on **Wednesday 27<sup>th</sup> March**.

What? We encourage our students to wear **traditional dress** or the colour **orange**.

**9:05-12:30p.m** Class and buddy activities

*\*\*Special EALD session- more information to come.*

**12:30-1:20p.m Family picnic:** Families are invited to have a picnic lunch with students. Parents are also encouraged to wear traditional dress or the colour orange. You are welcome to bring a picnic blanket and some cultural food to share with your child/children. Please collect your child/children from their classes at 12:30pm and move to a location of your choosing on the **Front Oval, Bottom COLA or back oval only** **Note: - Top Court will be used for student only play.**

*Allergies: Many students at our school are allergic to a variety of food items which can have serious and sometimes life-threatening consequences. To protect the health of all students, we ask that children **ONLY** eat food prepared by their own parents. While we appreciate the kind gesture, please do not offer or share food with other children.*

**1:30p.m P&C Cultural Concert in school hall.** (see P & C notices)

We look forward to celebrating this special day with you and the school community.

If your child is currently in Year 4, you may wish to apply for placement in an opportunity class for Year 5 entry in 2025. You can find out more about the application and placement process by attending our webinar about opportunity classes on Wednesday, 3 April.

Opportunity classes are one of the ways that the NSW Department of Education provides support for high potential and intellectually gifted students.

Many public primary schools across NSW offer [opportunity classes](#). Students living in rural and remote areas can also apply for a place at Aurora College, which provides online opportunity classes at approximately 600 host schools.

High potential and gifted students are supported across all NSW public high schools through the High Potential and Gifted Education policy.

**Applications open on 4 April and close Monday 20 May 2024**

**Learn more and apply at:** [education.nsw.gov.au/oc](https://education.nsw.gov.au/oc)

**Register now**

**This webinar will cover the steps involved in applying for placement in an opportunity class for Year 5 entry in 2025**

It will cover:

- what are opportunity classes
- who are opportunity classes aimed at
- the benefits of opportunity classes

- the Equity Placement Model
- Aurora College: for students in rural and remote areas

All Year 4 students are encouraged to apply.

## Volunteer Appreciation

Volunteers form the backbone of our community, and their selfless contributions never go unnoticed.

**Francesca and Kylie**, our EHPS P&C **Uniform Shop Coordinators**, assumed their roles less than six months ago, yet they've already accomplished a great deal. They've organized two successful second-hand uniform sales, completed the annual stock take exercise, and efficiently managed all uniform orders, including the high-demand periods at the beginning and end of the school year. Their exceptional coordination, organization, and diligence deserve our heartfelt appreciation.

The Winter Second Hand Uniform Sales, held on March 11, 2024, was a resounding success, thanks to the dedicated efforts of volunteers **Euna, Juok, Jennifer, Min, Sandy, Cherrie, Miranda, and Yvonne**. Their invaluable assistance before, during, and after the sale ensured its smooth operation and made it a memorable experience for all involved. We extend our sincere gratitude to them.

Our School Lunch Service, one of the most popular and successful services offered by the P&C, owes its success to the meticulous planning and organization of **Julia and Xinyuan, the service leaders**. They've curated a comprehensive menu, including daily hot specials that change each term, tailored to the students' preferences. Their leadership has cultivated a team of dedicated volunteers, among whom **Alicia, Euna, Juok, Rukeswari, Joyce, and Flora** stand out for their consistent support. Their willingness to go the extra mile, covering emergencies and contingencies, ensures the seamless operation of the service. We deeply appreciate their hard work and ongoing dedication.

## Volunteer Sign-ups and ICE BLOCK Competition

We are delighted to announce that our 'Just One Thing' volunteering campaign has received a great response, thanks to the generosity of our parents. In light of this, we are keen to ensure that no class misses out on the chance to participate in our **ICE BLOCK competition!**

Therefore, we're excited to extend the **last date for form submissions to 03/04/2024**. The class with the highest number of forms returned or filled out online will be rewarded with an Ice Block in the last week of this term!

Let's keep the momentum going! Send your responses online by filling the google form here <https://forms.gle/DJZf1zLQ4oVpeoLr6> or by returning the physical copies to your child's class teacher.

## Become a Class Parent

If your class does not have a Class Parent, kindly consider signing up to be the **Class Parent**.

Talk to a fellow parent and take up this role together. Your involvement as a Class Parent is greatly appreciated!

By joining our Parents Network, you will gain access to a convenient communication hub via WhatsApp or email. Each class will have a separate network where your class parent will share reminders of the upcoming events, important deadlines, changes to information, P&C updates, and class social events.

Signing up is quick and easy! Please fill out the Google Form link below. Your information will be shared with Class Parent, and they will contact you soon.

Your participation in our class network will not only streamline communication but also foster a stronger sense of community within our school.
