

A MESSAGE FROM THE PRINCIPAL

Student voice and agency is an important focus at our school. I enjoy attending the Student Representative Council (SRC) meeting each week. There was great excitement as the SRC joined me to officially open our new bubbler on the back oval. This was the direct result of student voice at an SRC meeting at the end of last year. Students enjoyed cutting the ribbon and eagerly lined up to have a drink.

On 21st March, our school community united to celebrate Harmony Day. Australia is a vibrant and multicultural country. We are proud to have the oldest continuous living culture of our first Australians- the Aboriginal and Torres Strait Islander peoples. We are also fortunate to have a country that is rich and diverse due to the arrival of people from cultures from around the world. It was heartwarming to see everyone come together to showcase our cultural diversity. Students eagerly participated in buddy activities before sharing a picnic lunch with families. Our day ended with a spectacular community concert led by Ms Chau from P & C and her team in collaboration with the EHPS staff team. Thank you to our talented students and mums who performed and to all those who helped and attended. At EHPS harmony is one of our greatest strengths and is at the heart of who we are. It makes our school a great place to attend and Australia a great place to live.

I believe my logo represents harmony day well because of all the different people together and the Earth being a heart. My design symbolizes a lot of different peoples hands together all reaching for the same thing/goal. I made the Earth a heart to represent the planet as equals and in harmony. - Norah

NEWSLETTER

A MESSAGE FROM THE PRINCIPAL continued....

Student leadership

Congratulations to our Year 6 student leaders who attended the GRIP Leadership conference on Thursday 27 March. They demonstrated the expected excellent behaviour and showed EHPS are respectful, safe and responsible students. Thankyou to Mrs Hepworth and Ms Turriff for taking these students to a wonderful leadership experience. (Please see later in this newsletter for report). We are also proud of Taj and Evelyn who were elected by their own leadership team to represent our school at the Hornsby network Student Council. They met with students from local Primary schools and High schools to speak with our Director Mr Anderson and share their thoughts on schooling.

P & C WhatsApp groups

We are fortunate to have such an engaged community led by our dedicated P & C. The parent WhatsApp groups are designed to support communication between home and school and between parents. They are a positive forum to enable parent connection and social opportunities for children. If you have any questions or concerns about staff, other children or other parents- please bring them to the school directly. The WhatsApp group is not the place to discuss others. By emailing or calling the school directly, we are able to respond accordingly. Thank you for your partnership in ensuring our school community is supportive and positive.

Student safety

We have tree trimming occurring in the school across this weekend. If your child attends one of our community group activities on Saturday or Sunday, please remind them to ensure they stay with the adults in charge at all times.

It has come to my attention that some children are being asked by parents to wait in the afternoon unsupervised in the playground on the equipment. This is not safe. Parents must collect your own child at 3:05p.m or organise after school care via OSHC services or a friend or family member. Parents must supervise their own child if staying on the play equipment after school.

Parent teacher conferences

Teachers are looking forward to meeting with parents next week to share the learning and wellbeing progress of students. Please ensure you arrive or answer calls (from an unknown number) on time so teachers can stick to their schedule. This will ensure all parents have their allocated time with the teacher. If you require an interpreter for your interview, please email the office. We look forward to enacting our school vision- working in partnership with parents to support success for all.

SCHOOL NEWS

Birthdays and religious celebrations

Family celebrations are a special time. If your child needs to take leave for religious reasons, please apply through school bytes. Birthdays are not included as an acceptable reason for leave. Please celebrate these after school hours. If you wish to send something for your child to share on their birthday or for a special celebration, please send small stationary or play items only (e.g a pencil, ball, eraser etc). These will be given out at the end of the school day for children to take home so parents can make the decision whether to give them to their own child. Please do not send any food items.

Attendance

Consistently going to school has countless benefits – from learning, to creating social connections and improving wellbeing through access to support and quality education.

Students are required to attend school every day, whether it's the first or last day of the term, Mondays, Fridays or days dedicated to sports carnivals, school excursions and incursions.

As we look ahead to the remainder of the school year, I'd like to remind our school community that we are here to work with you to support your child to thrive. We know that families experience a variety of challenging circumstances, and we are committed to working with you to address any barriers to regular attendance.

If your child is absent from school, please let us know why as soon as possible, even if it's just a few minutes at the start or end of the school day. Of course, there will be times when your child is unable to be at school, like when they are unwell. Medical appointments should take place outside school hours where possible, and family holidays should be taken in term breaks.

If your child is feeling anxious about coming to school and you need support, please reach out to your child's teacher or to me directly. There are also helpful resources for parents and carers on the [NSW Department of Education website](#).

Thank you for being a part of our school community and for partnering with us to ensure students access the endless benefits of regular school attendance.

School Community Charter

 **Collaborative. Respectful. Communication.**

The following School Community Charter outlines the responsibilities of parents, carers, educators and school staff in NSW public schools to ensure our learning environments are collaborative, supportive and cohesive.

We treat each other with **respect**

What our schools provide

NSW public schools work to create positive environments for students, staff and the entire school community that support student learning. We strive to ensure that every student is known, valued and cared for.

The best education happens when parents and schools work together.

The School Community Charter aligns with Our Plan for NSW Public Education.

Positive environments

It is important that our NSW public schools are positive environments and that parents and carers are kept informed of students' progress and school announcements.

Parents and carers can expect:

- To be welcomed into our schools to work in partnership to promote student learning.
- Communication from school staff will be timely, polite and informative.
- Professional relationships with school staff are based on transparency, honesty and mutual respect.
- To be treated fairly. Tolerance and understanding are promoted as we respect diversity.

We **prioritise the wellbeing** of all students and staff

Unsafe behaviour is not acceptable in our schools

We work **together** with the school

Ensuring respectful learning environments for all members of NSW Public Schools communities.

learning

Communicating with our schools

Our staff will find a time to talk to you when they can give you their full attention. Please remember that while our staff are in class or dealing with other matters, they may not be available to answer your questions immediately.

Our schools and communities will make sure that written communication is appropriate, fair and easy to read. We encourage you to use email and social media appropriately to connect with your school and stay up-to-date with up-coming events in the school community.

Our guide for parents, carers and students provides useful information about the complaints process:

education.nsw.gov.au/about-us/rights-and-accountability/complaints-compliments-and-suggestions/guide-for-parents-carers-and-students

Respectful communication is a right

In all workplaces people have the right to feel respected. Unacceptable and offensive behaviour has no place in our school communities.

To ensure the wellbeing of students, staff and the community in our schools, steps will be taken to address unacceptable behaviour. This may include restricting contact with the school community or, in more serious cases, referral to NSW Police.

Unacceptable behaviour may include but is not limited to:

- Aggressive or intimidating actions, such as violence, threatening gestures or physical proximity.
- Aggressive or intimidating language, including the use of obscenities, making sexist, racist or derogatory comments or using a rude tone.
- Treating members of the school community differently due to aspects such as their religion or disability.
- Inappropriate and time wasting communication.

Collaborative.
Respectful.
Communication.

GRIP Leadership

On Thursday the 27th of March, the EHPS Leadership Team and the House Captains travelled to the Chatswood Concourse for the 2025 GRIP Leadership Day Camp. At the conference, students learned about the responsibilities and qualities that make a good leader. We also discovered how leadership is not just about being in charge but about supporting others and setting a good example.

Throughout the day, we participated in different activities designed to help us understand the importance of helping others and being an example to younger students. How we can lead through friendship, showing that leadership is often about kindness and working together. We also learned the importance of listening, teamwork, and encouraging others, which are all key traits of a good leader.

The conference was very upbeat, and it was incredibly fun going up on stage to participate in activities! It was a great way to get involved. We also had the chance to meet students from other schools, which was exciting and inspiring.

The EHPS Leadership Team thoroughly enjoyed the conference and learned many important and valuable skills that we hope to put into practice this year.

P & C president harmony day message

The theme of Harmony Day 'Everyone Belongs' is a powerful message that resonates deeply with all of us. As a parent, I'm incredibly proud to see how our children embrace and appreciate the rich tapestry of cultures that surround them. It is heartwarming to see them learn from each other, share their unique stories, and build friendships that transcend cultural boundaries.

Today's concert is a testament to the hard work and dedication of our students, parents and teachers. Through music, dance and art, our children have showcased the diverse culture that makes our school community so vibrant and dynamic.

Our collective efforts contribute to creating a nurturing environment where everyone feels a sense of belonging.

As we enjoy the concert today, let us remember that harmony day is not just a single day of celebration, but a reminder of the ongoing journey towards understanding, acceptance and unity. Let us continue to teach our children the importance of kindness, empathy and respect for all.

To our dear EHPS Parents and Carers,

It was lovely to see the school community come together to celebrate Harmony Day. We are in awe of how immensely talented the students are (and parents too!) and how generous the community is in sharing their cultural backgrounds.

May we all continue to echo the message that *Everyone Belongs*, not only during Harmony Day but throughout the rest of the year and beyond.

Thank you for your usual support and see you all again in our other upcoming events!

With best regards,
EHPS P&C Committee

WE BRING YOU INNOVATIVE PROGRAMS

Our mission is to make STEM education relevant, real, and accessible to our students. Twenty first century skills such as problem solving and collaboration are at the heart of our programs.

OUR PROGRAMS ARE SKILLS BASED

Unlike other providers, our focus is on developing skills that can be learned and improved over time using our proprietary Coding & Robotics learning framework.

OUR STUDENTS PARTICIPATE IN EVENTS & COMPETITIONS

Here's the proof! Our students regularly participate in local and international coding, robotics, and STEM events/competitions showcasing their skills and confidence.

OUR PARENTS ARE ENGAGED & INFORMED

How many activities do your kids attend where you don't know what they are doing each week? We hold regular parents briefing sessions and keep you informed by posting updates, pictures and videos from the workshops.

WE PROVIDE PERSONALISED K-12 STEM SCHOOL EXP

We provide a personalised, structured, year-by-year STEM curriculum that nurtures young minds from their first spark of curiosity to developing capability for advanced problem-solving and innovation.

OUR PROGRAMS ARE HELD IN SCHOOL PREMISES

Most of our programs are held on school premises, making it easier and practical for your kids to attend immediately after-school. You don't need to taxi them from school and you may even save on after-school care costs!

A fantastic opportunity for boys wanting to play netball in the Beecroft PSSA teams.

Learn from the best in NSW!

The NSW Men's Opens Team, led by Head Coach Moira Gaha, is hosting a junior netball clinic designed for boys aged 10 - 17yo. The NSW Men's team will be there, including some of our NSW players in the Australian Kelpies team members.

Whether the boys are new to netball or looking to refine their skills, this clinic offers a unique chance to receive expert coaching.

JUNIOR BOYS CLINIC

MEN'S NETBALL NSW

TUESDAY 11th FEBRUARY
KU-RING-GAI NETBALL COURTS
LOFBERG COURTS, LOFBERG ROAD, WEST PYMBLE
6pm - 8pm

What to Expect:

- Skill Development: Improve your passing, shooting, footwork, and overall game awareness with a focus on key netball techniques.
- Fun & Engaging Drills: Participate in drills and activities tailored to develop both individual and team-based skills.
- Teamwork & Confidence Building: Learn the importance of communication, leadership, and working as a team.
- Tickets only \$20 for the 2hr session

Go to the Men's Netball NSW Facebook or Insta Pages for the link or scan the QR code below to register

Boys from NWPS, TWPS & BPS as well as Pennant Hills, Barker, Knox & St Leos High Schools are all part of Ku-ring-gai's Boys' rep programs, with some now playing in NSW State & Australian Kelpies teams.

Go to kna.com.au/boys for more info about boys' netball & pathways

Let's continue Beecroft PSSA's dominance in NSW boy's netball and continue to strengthen the Beecroft PSSA Boys' netball competition.

CHESS!!

Learn to be a chess champion! Coaching for students at Epping Heights Public School is held on Mondays from 3:10pm to 4:10pm, starting on 10 February 2025.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

Each student in the Chess program will also receive access to Chess Squad <https://www.chesssquad.com/> which is an online teaching/playing platform.

If your child is interested in taking part in the class, please email office.sydneyacademy@gmail.com for an enrolment form. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.
