PRINCIPAL'S REPORT

Last week I was extremely proud of our students' behaviour in the Leadership speech assembly. The Year 5 candidates clearly outlined the reasons they would make great leaders. Each of them should be proud of their efforts. The Yr 2-6 student audience showed the care, understanding and respect reflected in the lines of our school song "Our school's a place of caring and sharing, helping each other day by day." Parents who were present even made a point of speaking to me or emailing me to congratulate the students. I am lucky to regularly to witness such 'wrap around support' by staff, parents and students daily, across a range of scenarios. The genuine atmosphere of good-will and kindness that exists at our school makes me constantly proud to be Principal.

SCHOOL EXCELLENCE EVALUATION

Thank you to the 131 parents who returned the survey and gave useful feedback. We appreciate your time and input. The results of this survey will support our annual school evaluation process. Throughout the year we collected and evaluate a range of evidence to inform our practice and improve outcomes for our students. We are currently evaluating 2018 milestones in the School Plan and setting direction for next year. A special thank you to the executive team -Miss Moore, Mrs Moran, Miss Gerard, Mr Buckman and Mr Johnston- for their work in supporting this process. We look forward to sharing our findings in the Annual School Report available early next year.

KINDERGARTEN ORIENTATION

Our final session for new Kinders and their families was held last Wednesday. Children had fun in classrooms with their buddies and parents told us they appreciated the warm welcome, useful information and nice morning tea. Thank you once again to all involved in this special event, especially Miss Moore for her organisation. We look forward to seeing all new Kinder students at 10a.m on 31st January and 1 February. From Monday 4th February Kinder students will begin at 9:05a.m like all other students.

Values for this term:

Term 4 Integrity & Respect

Note: Year 1-6 students return on 30th January at 9:05a.m.

ICT PARENT WORKSHOP

Our parent information session on Information Communication Technology at our school and across the curriculum, was again well received. Thank you to Mr Buckman and Mrs Evans for presenting and to Mr Squires for collaboratively planning the session. Engaging with parents to build understanding of the curriculum is a key milestone to achieve Active Learners and Engaged Community.

Some key messages are:

ICT is a focus in our school plan 2018- 2020.

STRATEGIC DIRECTION 1
Active Learners

STRATEGIC DIRECTION 2
Effective Educators

Processes

Learning across the curriculum

As future focussed learners, students will build their use of Information Communication and Technology skills and personal and social capability to actively support growth across the Key Learning Areas. (APST 2.6.2, 3.4.2, 4.5.2)

People

Students will learn how to self-assess and respond to feedback. They will broaden their use of ICT across the Key Learning Areas and apply growth mindset to their learning.

Parents/Carers will engage with school initiatives to develop growth mindset and understanding of the learning across the curriculum areas (in particular ICT). They will support their children to become responsible digital citizens.

Practices

Effective, ongoing professional learning for teachers in ICT pedagogy.

Improvement Measures

- 100% teaching and learning programs show Information Communication Technology (ICT) embedded in more than one Key Learning Area.

Processes

Effective numeracy pedagogy Teachers will develop a deep understanding of the Numeracy Progressions and effectively use assessment data and quality pedagogy (including embedding ICT) to ensure student growth.

Teachers will develop a deep understanding of the Literacy Progressions and effectively use assessment data and quality pedagogy (including embedding ICT) to ensure student growth.

Products

Consistent grade/stage teaching and learning programs with class differentiation based on data and ICT embedded.

People

Teachers will undertake quality professional learning to deepen their understanding of the Numeracy and Literacy Progressions, build ICT capacity and understand the APST.

NSW SYLLABUSES

Primary

Three Cross-curriculum Priorities

Eight Learning Areas

Seven General Capabilities

General Capabilities incorporated into the NSW Syllabus

General capabilities encompass the knowledge, skills, attitudes and behaviours to assist students to live and work successfully in the 21st century.

The general capabilities are:

- Critical and creative thinking
- Ethical understanding
- Information and communication technology capability
- Intercultural understanding
- Literacy
- Numeracy
- Personal and social capability

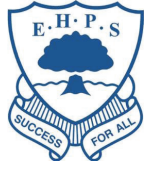

<https://www.australiancurriculum.edu.au/f-10-curriculum/general-capabilities/>

What is the ICT general capability?

Information and communication technology capability

Students develop Information and Communication Technology (ICT) capability as they learn to use ICT effectively and appropriately to access, create and communicate information and ideas, solve problems and work collaboratively in all learning areas at school and in their lives beyond school. ICT capability involves students learning to make the most of the digital technologies available to them, adapting to new ways of doing things as technologies evolve and limiting the risks to themselves and others in a digital environment.

This is the focus of this parent information session.

ESSENTIAL WEBSITE

Did you know the Department of Education website for parents has been updated?

<https://education.nsw.gov.au/public-schools/practical-help-for-parents-and-carers>

It has information on:

- Starting primary school
- Starting highschool
- Learning resources
- Help with homework
- Family wellbeing
- NSW School Term datesand much more.

There are also lots of translated documents available. <https://education.nsw.gov.au/public-schools/going-to-a-public-school/translated-documents>

NEW BELLS AND PA SYSTEM

You may have noticed our new PA system which has bells and line up music. Our system is entirely new and includes internal speakers in each classroom so messages, bells and health and safety calls are clearly heard. The system includes evacuation, lock out and lock down bells and announcements. Students have listened to each announcement and will undertake a practice drill in the coming weeks to ensure they know what to do when they hear each bell and in the case of an emergency. Thank you to those who donate to school voluntary contributions as this money has been used towards the new system.

EARLY REPORTS

Due to the time required to ensure our reporting process is thorough and printing of over 530 reports is done accurately, we are unable to give student end of year reports early. **Reports will be sent home with students on Monday 17 December.** If you are unable to collect it then you can either provide the office with a stamped self-addressed envelope and we will post it home, or your child can collect it from the office next year.

2019 PLANNING

We are currently planning for the 2019 school year. It is important to let the school know if your child/children will be returning late to school next year. This will ensure a place will be kept for your child in a class for 2019. By informing the school of your return date in writing this will keep your position open. Applications for extended leave must be submitted for approval BEFORE travel takes place.

The first day for school students in Years 1-6 is Wednesday 30th January 2019. Kindergarten students will start on Thursday 31st January 2019. (Note: Kinder start time will be 10a.m initially. More details will be provided at Kinder orientation).

規劃2019年

我們目前正在籌劃2019學年。重要的是你要讓學校知道你的孩子明年是否會延遲返回學校，這將確保會為你的孩子於2019年預留學位，請書面通知學校你的返回日期以保留孩子的學位。延長假期的申請必須在旅行前提交批准，1-6年級學生假期於2019年1月30日星期三開始，幼稚園學生則於2019年1月31日星期四開始。

(注意：幼稚園預定10:00am開始，更多細節將會於幼稚園迎新公布)

2019년 계획

저희 학교는 현재 2019년 새학기를 계획중에 있습니다. 새학기에 자녀분들의 자리를 지키기 위해서는 학교에 늦게 복귀하는지에 대한 여부를 알려주셔야 합니다. 서면으로 학교 복귀 날짜를 알려주시면 학생의 자리는 열려있게되고, 방학 연장/장기 결석에 대한 신청서는 여행 전에 반드시 승인을 받으셔야 합니다. 1~6학년 학생들의 개학은 2019년 1월 30일 수요일이며, 유치원 학생들은 2019년 1월 31일 목요일입니다. (유치원의 학기 초는 오전 10시 시작이며, 자세한 사항은 오리엔테이션을 통해 제공될 것입니다.)

Compulsory School Attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school. What should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to [complete their schooling](#).

Working in Partnership

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.

Further information regarding school attendance can be obtained from the following websites:

Policy, information and brochures:

Please visit the Department of Education's *Policy library*

The school leaving age:

Please visit the Department of Education's *Wellbeing and Learning* website

Do you need an interpreter?

Interpreting services are available on request, including for the hearing impaired. The Telephone Interpreter Service is available 24 hours a day, seven days a week on 131 450. You will not be charged for this service.

STUDENTS WHO ARE LATE WILL -

**It's not OK
to be late!**

- MISS the important social interactions with friends before the bell that can relax them and set them up positively for the work day ahead.
- MISS the start of lessons so that learning becomes disjointed and difficult.
- MISS the morning greetings, messages, roll call, lunch orders, collection of notes and monies etc.
- distract other children when they arrive and interrupt the momentum of the group.
- receive unnecessary attention that may make them feel uncomfortable or embarrassed.

TOYS 'N' TUCKER 2018

In 2017 Anglicare distributed 4,650 Christmas Food Hampers and 2,917 gifts and toys, helping to share the joy of Christmas and making it a much happier time than it might otherwise have been for many people in the community.

This year we will again be participating in Toys 'n' Tucker, assisting Anglicare to provide gifts and a Christmas meal to children in Sydney and Wollongong who normally go without. By helping in a small way we can provide a little bit of hope this Christmas for many children in need. At the back of this newsletter (in the Classifieds section) there is a list of items that Anglicare are hoping to receive from us. Items include gifts such as toys, board games, sporting equipment or retail gift cards or long-life food items such as Christmas puddings, Christmas cakes, long-life custard or tinned ham.

Anglicare will be picking up the generously donated items from our school on **Monday 10th December 2018** so please start collecting and let's put some smiles on faces this Christmas! Returned items will need to be placed **under the Christmas Tree in the office from 26th November (the beginning of week 7).**
